Our approach to catering is a bit different: We bring the kitchen to you. All our pies are made from scratch and cooked at 800 degrees in our handmade mobile wood fired oven, right before your eyes.

We cater indoor and outdoor events, large or small. Our oven sits on a custom built 5' x 10' trailer that can be setup anywhere and requires no water or electricity.

We offer a robust variety of artisan pizzas, salads, appetizers, desserts, and beverages, as well as vegetarian, vegan, and gluten-free options. Our goal is to source local and organic ingredients as much as possible, and compost or recycle the majority of our waste.

We offer upfront pricing to help in planning your event, and our clients have always found that we provide a great value along with a unique experience.

Our menu and service will be tailored to fit your event.
